

WRITERS' FEDERATION OF NS

brand guidelines

Official logos for WFNS:

DARK BACKGROUNDS – This logo works well on dark backgrounds as is. If it is a tone too close to any of the blues in the logo, please use the white version:

The WFNS logo may be used on an image background as long as it does not compromise the legibility of the logo.

brand guidelines

Logo Sizing / Positioning Restrictions

Shape Consistency - The shape and position of the WFNS logo must not be altered in any way. No horizontal or vertical scaling.

Spacial Relationships - The protected zone for copy is the width of the negative space between the W and the F in WFNS. No major elements may be positioned within this protected zone. Logo should always be positioned at least the specified width away from the edge of the page.

Minimum Logo Size for printed material is - 0.5" wide for logo only; 0.85" wide for logo with tagline; and 1.3" wide for banner version.

The minimum size for specialty items (pins, pencils, pens, etc.) would be determined on a case-by-case basis.

Unacceptable Logo Usage

None of the logo elements can be removed. No colours are to be replaced in any part of logo. Logo should always appear with the original dimensions (no stretching or compression). No effects should be used with the logo.

*Regulations throughout these brand guidelines apply to all versions of the logo.

For all brand usage inquiries or digital versions of the proper logo formats please contact:
